Erin checking the health of a new friend in Armenia Bonito.

Teaching English Classes

In October we continued teaching free weekly English classes in the poor community of Armenia Bonito. We had 20-35 students attend each class. This course covers some very basic English concepts. This first ten-week class will end on November 20th. We will teach several additional English classes starting in January.

Conference On Honduras

For four days Erin attended the *Conference On Honduras*. This annual seminar focused on education, healthcare and community building. She met with and heard from dozens of Christian and secular people serving here in Honduras.

Mike Hangin' With Youth

In October Mike started working with an existing teenage youth group. The group is run by a Honduran and meets weekly. Mike hung out with the teens on several different occasions. He led two studies, organized games and started building relationships with the kids. This is a great chance to engage and impact dozens of young lives.

School Supplies For Kids

The average Honduran makes only \$3000 a year and many can not afford to pay for school or buy school supplies for their children. In January we would like to provide free school supplies for some of the kids attending school in the poor community of Armenia Bonito. In addition, we would like to offer you the opportunity to help these kids. If you or the children in your church or school are interested please put school supplies in a box and mail them by 12/19 to this address:

Pamela In Honduras

From 9/30 to 10/11 Pamela Stephens of Florida came to Honduras as an intern. She lived with us and labored by our side. We were excited to work with her and thrilled to make a new friend.

Our Tentative Schedule

11/7 - Three interns arrive for six-month stay
11/19 - Senior health clinic in Armenia Bonito
12/13 - Kid's Christmas party in Armenia Bonito
12/19-1/4 - Pettengills will be in CA and AZ
1/21-22 - Training to work with molested kids

Our Specific Prayer Needs

- Safety and easy transition for our three interns who arrive in La Ceiba on 11/7.
- The senior health clinic we will be hosting in Armenia Bonito on 11/19.
- The continued spiritual health of our family.
- Expansion of our English teaching ministry.
