As you pray for us, here are some topics to consider:

- Relationships with family/team/nationals
- Faithfulness and perseverance
- Personal spiritual lives
- Protection: health and safety, Satan's attacks
- Fruitful ministries
- New workers.

There is much going on in our lives and our ministry. We are asking our prayer partners to spend the month of October praying for us and our daily work. Simply take a few seconds each day and remember us in your prayers. Thank you.
