Mike preached on two Sunday mornings at Desert Palms Church.

Urgent Financial Need

The construction of our downtown ministry center is going well. The church, high school, medical clinic, seminary and homeless kids center will do much for La Ceiba. Unfortunately, we are out of finances and may not have the dorm completed in time for the June 4th arrival of our first summer mission team. New Church On Our Team

In March a new church joined Team Honduras. Northview Community Church of Mill Creek, WA began supporting our family. Northview has a great record of being active in international and domestic missions. We look forward to working with Northview to advance Christ in Honduras.

Goodbye To The McCanns

For over two years the McCann family has lived in Honduras. They started the ministry with us and served by our sides. The McCanns completed their term and have moved back to the U.S. where Sean will be on staff at their home church. Thanks to the McCanns for being our loyal friends, counselors and hard working teammates.

Day Out For Honduran Moms

Our team took nine women from the poor community of Armenia Bonito for a day of relaxation. No men or kids were allowed. The ladies swam in a pool, ate lunch, received pedicures, took naps and heard a Bible message. These moms enjoyed their day of feeling special.

End Of Our Time In The U.S.

Our mandatory furlough in the U.S. has come to a close. During the past 28 weeks we attended 42 church services. We handed out 3,000 information packets and visited 11 states. We shared about our Honduran ministry with friends over 111 meals. On April 4th we will drive back to Honduras.

Our Tentative Schedule

- 4/4 - Begin six-day drive back to Honduras
- 5/13-15 - Erin attends mission conference in CA
- 6/2-4 - Host theological education conference

Our Specific Prayer Needs

- Safety on our six-day drive through the U.S., Mexico, Guatemala and back to Honduras
- Quick transition back into Honduran culture.
- Finances for our downtown ministry center.
