## School Supplies For 467

At our fourth annual school supply distribution we put school supplies into the hands of 467 needy kids. The school year starts in February and many parents don't send their kids to school because they can't afford the supplies. This gift made school a reality for many of these kids.

## \$1 To \$1 Matching Grant

In La Ceiba we are building two ministry centers to serve the poor in Honduras. Our ministry centers will house high schools, churches, medical clinics, a seminary and a homeless kids center. A generous contributor agreed to match every dollar donated towards the construction of these facilities. If you give \$1 he will give \$1. If you would like to make a tax deductible donation to our ministry center in Armenia Bonito go here: <http://bit.ly/s4sQdz> or to our downtown ministry center go here: <http://bit.ly/uXd0Go>

## High School Scholarships

Last year we fully funded four kids to attend high school. For the school year beginning in February we will fully support seven kids. This is a major blessing for these kids, their families and the community of Armenia Bonito. The average Honduran has only 6.1 years of education.

## Single Mom House Opens

On January 25<sup>th</sup> our team opened Puerta de Esperanza (Door of Hope). This facility provides a home for single teenage moms who are escaping substance abuse, violence or the streets. Our first two moms and their babies have already moved in. The girls will receive job skills, education, bible studies and hope for the future.

## 2<sup>nd</sup> Ministry Site Launches

Our teammates, Mike and Ashley Troxell, are now working fulltime in the community of La Fe. La Fe is one of the poorest neighborhoods in all of La Ceiba. They will work with the residents to provide God's love, mercy and teaching. We pray their daily ministry will result in a new church.
