## McLaughlins Join The Team

Seth and Renee McLaughlin will be joining our merry band of Honduras missionaries. Seth is a PCA pastor and Renee is a physician assistant. Seth will start and run a theological seminary and Renee will open and manage a new medical clinic. Please pray for them as they go through training, support raising and language school.

## Erin At Mission Conference

Erin attended the first ever mission conference hosted by Covenant Presbyterian Church of Paso Robles, CA. Covenant put on a wonderful three-day mission conference. Erin made several ministry presentations and sat on a panel with our boss, Dr. Paul Koistra the Coordinator of MTW. Covenant has been a great supporter of our ministry from the very beginning.

## Shannon Is In Honduras

Shannon Innes joined our ministry as a 2-year missionary. We have eagerly awaited her arrival for over a year. Shannon is musically talented and has a desire to serve. She will move towards working with young girls who are single mothers and/or have experienced violence and addiction.

## Indoor Soccer With The Boys

Our team took 15 boys from the poor community of Armenia Bonito to play indoor soccer for a day. These kids can't afford to play indoor soccer. They had lots of fun. Mike delivered a gospel presentation to the boys and prayed with them.

## Mike On Missionary Talks

Mike was interviewed for a 20-minute podcast for the website Missionary Talks. The interview was broadcast worldwide via the internet and brings great exposure to our work in Honduras. You can listen to the interview here: <http://bit.ly/iTIo0z>
