Volume 6, Number 3

Mike thanking our workers & their families at our ministry center.

School Supplies For The Kids

The school year in Honduras began in February. Even in public schools the kids have to provide their own school supplies, which is financially unfeasible for many families in Armenia Bonito. Our team distributed all the needed school supplies to over 400 kids. This made school a reality for many families this year.

Short Trip To Honduras

In February we were required to make a five-day trip to Honduras to address immigration and property issues. There were numerous meetings with attorneys and government officials. While the trip was mostly business it was great to get a taste of the country and people we have grown to love. We are excited to return for real in April.

CovCom Mission Conference

February 26-27 we were in Scottsdale at Covenant Community Church's annual mission conference. We hosted three breakout sessions to talk about our ministry. At our booth and in numerous small groups we shared intimate details about Honduras. Covenant Community put on a wonderful mission conference for the over 100 participants.

Sharing Honduras In Utah

We attended the regional Presbyterian meeting and reported on Honduras to 40 church leaders and pastors. We attended Grace Presbyterian of Layton and taught Sunday school, delivered a mission moment and Mike preached.

Mission Team From PA

February 19-26 our team hosted a mission team from Manor Presbyterian in Cochranville, PA. They did construction on both our ministry sites, ran Kids Club, participated in ESL and a medical clinic. They were a great boost to our ministry.

Our Tentative Schedule

- 3/13 - Mike preaching at Desert Palms Church
- 3/27 - Mike preaching at Covenant Community
- 4/4 - Begin drive back to Honduras
- 5/13-15 - Erin attends mission conference in CA

Our Specific Prayer Needs

- Elusive rest in our final full month in the U.S.
- That Mike and Erin show each other steadfast love, grace and mercy in our marriage.
- Increase in the number of monthly financial partners for our personal support.
