## Street Child Sunday

StreetChild Sunday is observed annually on Mother's Day and is an opportunity to remember the physical and spiritual needs of the world's 150 million street children. This year MTW is promoting our new Honduran StreetChild ministry by asking your church to place this insert in its bulletin on May 8<sup>th</sup>: <http://bit.ly/fdZTDM>

## The Fruit Of The Spirit

Our team taught an 11-week series on the Fruit of the Spirit in our weekly Kids Club. Each week we took the kids through a lesson from Galatians 5. At the end of the series we hosted a party for the 26 kids who attended six or more classes. The 16 kids with perfect attendance received special prizes. The class and the party were blessings.

## Pray Through May With Us

Your role as a Prayer Warrior on Team Honduras is very valuable. This is a busy and stressful time for us. We covet your prayers and ask you to pray aggressively with us each day in May. Please distribute this prayer calendar to your friends, family and church. Download our "Pray Through May" calendar here: <http://bit.ly/hLVyMF>

## A Day Out For The Girls

Our team took 10 girls from the poor community of Armenia Bonito out for a special day. The girls heard a bible message, played games and ate lunch. Lots of laughter and fun for the girls.

## Driving Back To Honduras

April 4-9 we drove back to Honduras from the US. We covered 3011 miles in six days with 74+ hours in the car. Our truck was cramped, but ran well. We had lots of time to talk and process our furlough as we crossed parts of four countries.

## Our Tentative Schedule

5/13-15 - Erin attends mission conference in CA  
5/28 - Host a day of indoor soccer for the boys  
6/2-4 - Host theological education conference  
6/4 - Short-term mission team arrives from CA  
6/18 - Short-term mission team arrives from FL

## Our Specific Prayer Needs

- That our dorm is completed, safe and livable by the time the 1<sup>st</sup> mission team arrives on June 4<sup>th</sup>.
- Mercy & grace are lived daily by our family.
- That two Honduran pastors are found to help us plant our first two churches in La Ceiba.

The high school we are building in Armenia Bonito now has a roof.
