Volume 6, Number 11

Erin teaching Children's Catechism at our weekly Kids Club.

## Back To School Daze

Mike was accepted to the online Masters of Religion program at Reformed Theological Seminary. He has completed his first class. In his free time Mike will take online courses one at a time. These classes will be beneficial and immediately applicable to our daily ministry.

## School Supplies For Kids

We would like you to prayerfully consider providing school supplies for the kids in Armenia Bonito. Please purchase school supplies and mail them to this address by December 31, 2011:

La Ceiba, Atlantida  
Honduras  
Central America

Let us know if you would rather send money and our team can purchase the supplies in Honduras.

## A Home For Single Moms

Under the direction of our teammate Shannon we are opening a home for single moms escaping violence, drugs and the streets. The house is open and furnished and we now have legal authority. This ministry will provide security for moms and their kids as well as job and bible training.

## Mike's Health Concerns

Mike went to Atlanta to address his health and try to solve the numbness and lack of strength in his left arm. After blood tests, neuro-electrical tests and neurological consults, Mike was diagnosed with Parsonage-Turner syndrome; a nerve bundle attacked by a virus. No pills or surgery will help and it will go away on its own...prayerfully soon.

## More Than Just Playing

Erin has started taking books, puzzles and educational toys to Armenia Bonito and providing quality time for some of the less fortunate and illiterate kids we work with. Erin reading stories has become a favorite for the kids of all ages.

## Our Tentative Schedule

11/11 - Erin leaves to CA for mission conference  
11/19 - Our new teammate Kate arrives in La Ceiba  
12/17 - We host our 4<sup>th</sup> annual kids Christmas party

## Our Specific Prayer Needs

- The homesickness our family will experience with the coming of Thanksgiving & Christmas.
- Erin's heart as she copes with her mother's severe illness while we are so far from family.
- Safety as we endure the extreme weather that accompanies the arrival of the rainy season.
