Ladies Of Team Honduras

The five women of our mission team held the first ever Team Honduras Women's Retreat here in Honduras. For five days our ladies prayed, bonded and studied Balance, God's Will, Mercy, Prayer and Loving The Unlovable. As our team changes and grows opportunities like this are important.

Independence Day Concert

Erin and our teammates Kathy and Bethany took five girls from Armenia Bonito out for a Honduran Independence Day celebration. They went for dinner and then to a local church for a Christian concert. Over 1000 people attended and listened to some great Christian worship music.

Turkey Leadership Event

Mike attended a worldwide missionary leadership conference in Izmir, Turkey for a week. Over 130 people attended. The participants included 33 national pastors and 87 Team Leaders from MTW mission teams. The speakers, breakouts and group discussions focused on leadership and the difficult issues surrounding missionaries working together with local pastors in a cross-cultural context.

Boys Attend Soccer Game

Mike and our teammate John took a group of boys out for dinner and to attend a professional soccer game. The 18 boys play for the Armenia Bonito, under-14, soccer team. Eight of these boys had never before attended a professional soccer match.
