Volume 7, Number 12

Mike teaching a 10-week English class in Armenia Bonito.

Lyssa Joins The Team

Lyssa Melonakos is our new nine-month intern. She arrived after a month in Costa Rica attending Spanish language school. She is from Escondido, CA. Lyssa previously served as a missionary in Mexico. Pray for Lyssa as we spend the next few weeks identifying where she will serve long-term.

School Supplies For Kids

We would like you to prayerfully consider providing school supplies for the kids in Armenia Bonito. Please purchase school supplies and mail them to this address by December 31, 2012:

Mike & Erin Pettengill
P.O. Box 1090
La Ceiba, Atlantida
Honduras
Central America

Let us know if you would rather send money and our team can purchase the supplies in Honduras.

The Tax Man Cometh

Did you know all financial gifts given in support of our work in Honduras are tax deductible? Any donation made by December 31st will reduce your 2012 tax liability. To help our ministry and to pay fewer taxes go here: <http://x.vu/283937>

Spanish Language School

Mike and John visited the Honduras Spanish Institute in Siguatepeque, Honduras. We have prayerfully concluded our future missionaries will attend language school here, instead of in Costa Rica. Learning Honduran dialect and culture will be a great benefit for our future teammates.

A Doctor For Our Clinic

Our team has hired Dr. Roger Guillén as the fulltime Director of our medical clinic in Armenia Bonito. Dr. Roger is a Honduran born, Cuban trained pediatric physician. He will treat patients, manage the clinic and interact with the Honduran government. To learn more about Dr. Roger visit Erin's blog: <http://x.vu/283936>

Our Tentative Schedule

12/8 - End of the year party for scholarship kids
12/11-14 - Gringo VBS for our missionary kids
12/15 - Armenia Bonito kids Christmas party

Our Specific Prayer Needs

- Pray we can identify a Pastor to lead our church plant in Armenia Bonito.
- We continue to love our ministry & Hondurans.
- Pray we create the biggest Spanish theological library in Honduras and it is frequently used.
