First Church Services

Our new church plant in Armenia Bonito has been holding church services throughout January. Pastor Jesús Caseras has been preaching three times a week, leading small group studies and doing home visits. It is so exciting to see this church plant take off. Praise God! School Supplies For 502

At our fifth annual school supply distribution we put full packets of school supplies into the hands of 502 needy kids. The school year starts in February and many parents don't send their kids to school because they can't afford the supplies. This gift made school a reality for many of these kids. You can watch a brief video of the distribution here: <http://bit.ly/W2VOOd>

Roberto And The StreetKids

Roberto Ortiz was hired to work in our homeless kids ministry. Roberto is 28-years-old and grew up in La Ceiba. He will run our scholarship program to get some of these kids into school. Roberto will work each day mentoring the kids and helping them with school work. He will work closely with our teammates Kate and Hector.

Article In Gospel Coalition

Mike had an article published on the The Gospel Coalition (TGC) website. It was the fourth article of Mike's that TGC has published. This article talked about the importance of missionaries communicating with their supporters. You can read the article here: <http://bit.ly/W2TqHa>

Nine Scholarship Students

Last year we funded seven kids to attend high school. For the school year starting February we will support nine kids. This is a blessing for the kids, their families and Armenia Bonito. The kids will be disciplined weekly and are required to volunteer in their community. The average Honduran only has 6.1 years of education.
