

We received & began distributing one ton of free food for the poor.

School Building Finished

Three years ago we began construction on our high school in Armenia Bonito. The building of the school is now finished. Our six classroom, two story school building is ready to receive students in February, 2014. If you'd like to learn more about the school go here: <http://bit.ly/18Z6TXF>

Kids Christmas Party

December 6th we hosted our sixth annual kids Christmas party in Armenia Bonito. The kids of this super-poor community received a candy cane, a plate of food, a gift bag, heard the gospel from pastor Jesús and prayed. You can watch a short video here: <http://youtu.be/VEQtgsL9Qo>

High School Staff Hired

Our entire staff has been hired for our new high school in Armenia Bonito. Our new Director (Maribel), Sub-Director (Julile) and Secretary (Dania) are in place and have been working hard all December to get our school ready to open in February. Maribel and Julile are experienced high school teachers and administrators and will teach classes in addition to running the school. All three staff members live near the school, are Christians and are thrilled to be able to develop a high quality Christian education from scratch.

New Ministry Launched

On December 9th we put on a mobile medical clinic in the community of Las Delicias and served 125 people. This poor community is our team's newest site for daily ministry. Our teammates Adam and Michelle Cain will work toward planting a new church in Las Delicias.

Two Church Buildings

In December we began constructing buildings for two of our Presbyterian church plants. The Armenia Bonito church will get a brick and mortar building on our property. Our La Fe church will get an open air building with a dirt floor and a tin roof. Both pastors are thrilled.

Our Tentative Schedule

- 2/10 - 1st day of class at our new high school
- 2/15 - Short-term mission team from PA
- 2/22 - Short-term mission team from PA

Our Specific Prayer Needs

- The financial resources we need to open our high school in February.
- For Elias, our family and the Clows as Elias transitions from our home, back to the Clows'.
- Maddy begins applying for college scholarships.

Mike & Erin organized advent for our team at Gringo Church.
