More Steering Committee

The West Coast Hub has an advisory committee that meets once a month via video conference. The West Coast Steering Committee consists of pastors and church leaders of churches throughout the region. In December we added three new members to the committee to increase diversity to the group. The Committee is a great benefit to our ministry.

Missions In Phoenix

Mike took a four-day trip to Phoenix, AZ to talk missions. While there Mike had dinner with two possible missionary candidates. Mike also scheduled meetings to talk with two local pastors about missions and collaboration. In addition, Mike was given the opportunity to present missions from the pulpit of a local church. MTW Staff Training

Peggy, staff from MTW, came out to California to provide Mike and David, our Administrative Assistant, with several days of hands on training. The three of us got together and Peggy trained Mike and David with important computer and procedural processes used by the MTW office. This allows our ministry to better coordinate and collaborate with the MTW home office in GA.

Missions in Northern CA

Mike and Erin made several trips to Northern CA to speak and preach on missions at several churches. The trips included teaching Sunday school, preaching, and meeting with church leaders.

Missions Conference

We announced our 1st annual West Coast Missions Conference. It will take place April 27 & 28, 2018 in Fullerton, CA. The two-day event we host amazing speakers and cost very little. Online registration opens within the month. You can read more about it here: <http://bit.ly/2AAD7ux>
