## Missions At VBS

Mike was invited to give a daily missions lesson to the kids at a VBS put on by Christ Presbyterian Church in Murrieta. Mike told historical stories of missions, taught Bible lessons on missions, guided the kids through prayer for specific missionaries, and had the kids draw pictures for missionaries, which he sent to the missionaries.

## Our Daughter Got Married

In July our 22-year-old daughter Maddy married Josh Place in Placerville, CA. It was a small wedding attended by 45 members of the extended Pettengill and Place families as well as college friends of Maddy and Josh. It was a very simple beautiful outdoor wedding.
