Mike teaching our weekly English class in Armenia Bonito.

Mike At TGC Conference

April 6-10 Mike attended The Gospel Coalition's conference in FL. The conference, on missions and the book of Luke, attracted 5,300 participants from over 50 countries. Speakers included Tim Keller, Don Carson, David Platt, John Piper, Kevin DeYoung and 70 others. The preaching and teaching was incredible and the resources and contacts were invaluable to our ministry.

Maddy Colombia-Bound

Maddy, our 16-year-old daughter, is headed to Bogota, Colombia for a mission trip June 20th - Aug 3rd. Maddy will spend most of her time working with at-risk kids, serving meals, teaching English, tutoring, cleaning, and sharing the gospel of Christ. If you would like to be part of Maddy's support team you can make a tax deductible, online contribution here: <http://bit.ly/15iRxfV>

Patient Records In Our Clinic

A new patient records system has been launched for our medical clinic in Armenia Bonito. The web based system stores patient data on a secure offsite server. Using computer tablets the patient's vitals, diagnosis, prescription and treatment are all updated in real time. It is amazing a clinic in such a poor community has this advanced technology.
