## Sponsor A Honduran Child

A new child sponsorship program has been created to allow you to sponsor a Honduran child attending our high school. For \$35/month you can provide a poor child with a Christian high school education, access to our emergency food and clothing program and basic healthcare service at our medical clinic. If you'd like to learn how to sponsor a child go here: <http://bit.ly/1gOSJsN>

## 2nd Annual Men's Retreat

At the end of April our mission team held our 2<sup>nd</sup> annual Men's Retreat here in Honduras. Mike, John, Adam and Seth got together for three days of study, prayer, planning and relaxation. Mike took the men through a three day study in Titus as well as several periods of guided prayer. They also talked about transitioning most of Mike's leadership duties when we leave for furlough.

## Floor Poured For Seminary

Our Honduran workers completed a huge concrete pour on our downtown ministry center. They used 127-bags of cement to pour the roof over the first floor medical clinic and the floor of the second floor theological seminary. We can now move forward on building the interior of the clinic and start on the walls of the theological seminary.

## Pray Through May

We are calling all prayer warriors to action. Print our prayer calendar and tape it to your computer, refrigerator, or dashboard and pray each day for God's work in Honduras. Send it out via e-mail, Facebook and Twitter to share with your friends, family and at church: <http://bit.ly/1kKMHfF>

## Clothes And Food Program

Erin is building our clothing and feeding program which she runs from our medical clinic. Families receive gently used clothes for newborns to adults. The feeding program provides rice and protein packs for the hungry and a limited number of food baskets for the most needy families.

## Our Tentative Schedule

5/8-10 - Erin in Costa Rica to train missionaries  
5/17-24 - MTW medical training in Honduras  
6/7 - 1<sup>st</sup> short-term mission team of the summer

## Our Specific Prayer Needs

- Our 5 pastors and 4 church plants continue to preach a Bible-centered gospel message.
- Living conditions, transportation & church visits continue to line up for our upcoming furlough.
- Our 11 short-term mission teams this summer.
