10 Summer Mission Teams

In June, July and August we hosted ten short-term mission teams from the U.S. These teams came from churches in AL, PA, SC, FL, CA, GA, AZ, and NC. They did wonderful work for our ministries in La Fe and Armenia Bonito. In all we hosted 117 short-term missionaries.

Urgent High School Need

We are in urgent need of financial and prayer support. We are building a high school in Armenia Bonito and plan to open it in February. The school is nearly constructed, but we need finances to build desks, pay teachers, and buy computers and books. We must raise \$100,000 by January to open the school. Will you and your church prayerfully consider supporting this school? To make a onetime credit/debit card contribution go here: <http://bit.ly/14T1LOv>

New Home For Guevaras

The Guevara family is one of the poorest families in Armenia Bonito. Before this summer they lived in a house with a dirt floor and rotting wood. With the help of mission teams we built them a new home with concrete floors, block walls, electricity and indoor plumbing. Take a video tour of their new home: <http://youtu.be/hFyoAC-hEIs>

Mike & Maddy In WA

For 11-days Mike and Maddy spent time promoting our ministry in WA. Mike preached twice and taught a Sunday school class. Our ministry was shared with churches and individuals who already support us and with many others who we pray will soon join Team Honduras.

Cains Join Team Honduras

The Cain family arrived in La Ceiba in August. For at least the next two years the Cains will work in a new community and attempt to plant a new church. It is a thrill to have the Cains and their energy join our team in Honduras. Mike will work closely with the Cains on church planting and other ministries.

Our Tentative Schedule

8/23-9/2 - Mike & Maddy visit churches in WA
9/30-10/4 - Team Honduras Women's Retreat
11/7-10 - Mike at MTW Missions Conference in SC
