

3rd annual Team Honduras Women's Retreat began 9/30/13

## Day Of The Children Party

September 10<sup>th</sup> was the annual Honduras Day Of The Children. We organized a party for over 120 kids in Armenia Bonito. They had games, a bible message and junk food! Watch a short video of the event: <http://youtu.be/P2Ev8F8Tr70>

## Urgent High School Need

We are in urgent need of financial and prayer support. We are building a high school in Armenia Bonito and plan to open it in February. The school building is nearly constructed, but we need finances to build desks, pay teachers and buy computers and books. Watch this short video to see the project: <http://youtu.be/GbvJHvpFJuU> We must raise \$100,000 by January to open the school. Will you and your church prayerfully consider supporting this new Christian high school? To make a onetime credit/debit card contribution go here: <http://bit.ly/14T1LOv>

## Public Hospital Closes

La Ceiba's only public hospital has closed indefinitely due to lack of funds. The poor just lost their primary option for health care in our city. Our medical clinic has been flooded with lots of sick people looking for help. Pray we have the resources to serve those the Lord sends us.

## Katie Joins Team Honduras

We have just been joined by 20-year-old Katie. She will serve as an intern with us in Armenia Bonito for the next three months. Katie is taking a break from Auburn University and just spent six-weeks in Spanish language school. We now have 14 adult missionaries on our team.

## Church Planting Explosion

In 2013 we have added two new Honduran church planters in the city of La Ceiba. Now we are expanding our church planting efforts to the capital city of Tegucigalpa. In coordination with us, MTW missionaries Aaron and Rachel Halbert will soon manage our new church planting team six-hours to the south. Please pray for expansion.

## Our Tentative Schedule

9/30-10/4 - Team Honduras Women's Retreat  
10/5-11 - Mike in AZ visiting churches
